The amount for equitable services is based on the LEA's total available "bucket" for the program.

1. Actual allocation amount
2. Transferred amount
3. Reallocated amount
4. Carryover

With respect to the transferred funds, the SEA or LEA must provide private school students and teachers equitable services under the program(s) to which, and from which, the funds are transferred, based on the total amount of funds available to each program after the transfer.

## Less Set-Asides

# Equitable Services: On-going tasks

- **Final Allocations**  
Adjustments may need to be made once the allocations are finalized
- **Budget Changes**  
Changing student counts or services will require changes to the budget
- **Additional Schools**  
Adding private schools after the initial completion will impact allocations
- **On-going meaningful consultation**  
Services and budgets need to be reviewed throughout the year

# Equitable Services: Reminders

- Save at each step
- Review data for accuracy
- Remember ongoing consultation
- Equitable service not funding
- Send intent to participate and consultation forms to me
- Email with questions or changes
